HARRIS COUNTY MUNICIPAL UTILITY DISTRICT NO. 304  
WATER SYSTEM OPERATIONS NOTICE

This morning (04/12/2025), Harris County MUD No. 304's surface water system valve had a malfunction and called out to Precision personnel. Precision Utility personnel have contacted the water authority, and they are aware of the valve malfunction and are sending personnel to investigate the issue. Harris County MUD 304 is currently on well water for the time being.

Please check with your Municipal Utility District Website for additional updates. Thanks, in advance for your cooperation and understanding during this time.
